

Table 3. IECAM Data. Data available by geographic region (updated: September 7, 2017)

Note: Using this table, you can find which geographic regions are available for any data type on IECAM.

Note: These tables list data that are searchable by year. There are additional data in IECAM in static pages and reports.

Note: The table indicates data available by geographic region for the most recent year or two; data may not be available at that region for earlier years of data.

Note: Data are typically available in the tables-only section of IECAM before they are available in the GIS map section.
